

**Q: When are redemptions processed?**

**A:** Redemption requests are processed on a quarterly basis. In order to be considered for redemption the completed paperwork with all necessary requirements fulfilled must be received in good order by the following deadlines: March 1, June 1, September 1, December 1. All redemption requests are subject to review by the board of directors and the terms of the redemption plan as outlined in the applicable prospectus, as amended.

**Q: When are redemptions paid?**

**A:** Redemptions are paid quarterly on a timely basis, following the board meeting. Investors are not entitled to receive distributions with a record date after the effective date of the redemption. Please contact W. P. Carey Investor Relations at 1-800-WP CAREY or IR@wpcarey.com with questions regarding redemption payment dates.

**Q: Where can I find more information on the redemption plan?**

**A:** The redemption plans are outlined in each program's prospectus, as amended.

**Q: Can the redemption plan be suspended?**

**A:** The board of directors of each program has discretion to change, suspend or terminate the redemption plan.

**Q: How much will I be paid for my redemption?**

**A:** Please refer to each program's prospectus and supplements, for further details on its redemption plan and redemption prices.

**Q: Is there a holding period requirement?**

**A:** Shares must be held for at least one calendar year of original investment start date prior to the redemption, except in the case of certain special circumstances as defined in each program's prospectus, as amended. Each program's redemption plan allows for the one year holding to be waived, provided the redemption is requested within one year of (a) the death of the stockholder (b) the qualifying disability of the stockholder or (c) upon a stockholder's receipt of qualifying long-term care.

**Q: How can I tell if I'm eligible for a special circumstance redemption?**

**A:** Please review the guidelines for special circumstance redemptions, available on each program's website.

**Q: Do I have to redeem all of my shares?**

**A:** The redemption programs allow for both full and partial redemptions. For partial redemptions, a redemption request for at least 25% of total shares owned must be requested.

**Q: Who needs to sign the redemption paperwork?**

**A:** This depends on the type of account:

- Individual – Individual investor must sign
- Joint – All parties must sign
- Trust – All trustees must sign
- Custodial held – Investor and custodian must sign

In addition, for broker-controlled accounts, the broker/dealer of record must sign off on the redemption. A signature and medallion signature guarantee from the broker/dealer of record will need to accompany the redemption form.

**Q: What is a medallion signature guarantee?**

**A:** A medallion signature guarantee is a special signature guarantee for the transfer of securities. A medallion signature guarantee is not the same as an acknowledgment by a notary public. Many banks, broker/dealers, and other financial institutions such as savings and loan associations and credit unions are able to provide a medallion signature guarantee.

**Q: Can I fax or email the redemption paperwork?**

**A:** An **original** redemption request, with all applicable signatures and medallion signature guarantees, is required by the deadline. Faxed or emailed copies are not acceptable.
