PROXY STATEMENT

APRIL 21, 2017

Questions & Answers

The accompanying proxy is solicited by the Board of Directors of Corporate Property Associates 17—Global Incorporated, a Maryland corporation, for use at its 2017 annual meeting of stockholders (the “Annual Meeting”) to be held on June 14, 2017 at 50 Rockefeller Plaza, New York, New York, 10020 at 12:00 p.m. local time, or any postponement or adjournment thereof. As used herein, “CPA®:17—Global,” the “Company,” “we” and “us” refer to Corporate Property Associates 17—Global Incorporated.

Who is soliciting my proxy?

The Board of Directors of CPA®:17—Global is sending you this Proxy Statement and enclosed proxy card.

Who is entitled to vote at the Annual Meeting?

Stockholders of record of CPA®:17—Global as of the close of business on April 11, 2017 (the “record date”) are entitled to vote at the Annual Meeting or at any postponement or adjournment of the Annual Meeting.

How many shares may vote?

At the close of business on the record date, CPA®:17—Global had 345,483,632 shares outstanding and entitled to vote. Every stockholder is entitled to one vote for each share held.

How do I vote?

You may vote your shares either by attending the Annual Meeting or by authorizing a proxy by mail, by telephone or on the Internet. To authorize a proxy, sign and date the enclosed proxy card, and return it in the enclosed envelope, or follow the instructions on the enclosed proxy card for authorizing your proxy by telephone or Internet. If you return your proxy card by mail but fail to mark your voting preference, your shares will be voted FOR each of the nominees listed in Proposal One and FOR the ratification of the appointment of our independent registered public accounting firm in Proposal Two, and in the discretion of the proxy holders if any other matter properly comes before the meeting. We suggest that you return a proxy card even if you plan to attend the Annual Meeting.

May I revoke my proxy?

Yes, you may revoke your proxy at any time before the meeting by notifying CPA®:17—Global’s Secretary, Susan C. Hyde, in writing or submitting a new proxy card, or by voting in person at the Annual Meeting. The mailing address of CPA®:17—Global is 50 Rockefeller Plaza, New York, New York 10020. You should mail your notice of revocation of proxy to that address.

Will my vote make a difference?

Yes. Your vote is needed to ensure that the proposals can be acted upon. Because we are a widely held company, **YOUR VOTE IS VERY IMPORTANT! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.**

What is a quorum?

A quorum is the presence, either in person or by proxy, of stockholders entitled to cast at least 50% of all the votes entitled to be cast at the meeting. There must be a quorum for the meeting to be held. In accordance with Maryland law, abstentions, withholds, and broker non-votes are counted for the purposes of determining the presence or absence of a quorum for the transaction of business. The election inspectors will treat abstentions and broker non-votes as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote.

What vote is needed to approve the election of each of the nominees as Director and the ratification of the appointment of the independent registered public accounting firm?

The affirmative vote of the holders of a majority of our shares present in person or by proxy at a meeting of stockholders duly called and at which a quorum is present is required to elect a Director. Each share may be voted for as many individuals as there are Directors to be elected. No stockholder shall have the right to cumulative votes. The ratification of PricewaterhouseCoopers LLP’s appointment requires the affirmative vote of a majority of the votes cast by shares present in person or represented by proxy at the Annual Meeting, a quorum being present. Unless otherwise required by our Charter or by Maryland law, other proposals must receive the affirmative vote of a majority of the votes cast at a meeting of stockholders duly called and at which a quorum is present.

How is my vote counted?

If you properly execute a proxy card in the accompanying form, and if we receive it prior to voting at the Annual Meeting, the shares that the proxy represents will be voted in the manner specified on the proxy card. If no specification is made, the shares will be voted FOR the nominees for Director, FOR the ratification of the appointment of our independent registered public accounting firm in Proposal Two and as recommended by our Board of Directors with regard to all other matters in its discretion.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspectors appointed for the Annual Meeting, who will determine whether or not a quorum is present.

How will voting on stockholder proposals be conducted?

We do not know of other matters that are likely to be brought before the Annual Meeting. However, if any other matters properly come before the Annual Meeting, your signed proxy card gives authority to the persons named therein to vote your shares on those matters in accordance with their discretion.

Who will pay the cost for this proxy solicitation and how much will it cost?

CPA[®]:17—Global will pay the cost of preparing, assembling and mailing this Proxy Statement, the Notice of Meeting and the enclosed proxy card. In addition to the solicitation of proxies by mail, we may utilize some of the officers and employees of our advisor and affiliate, Carey Asset Management Corp., and/or its affiliates (who will receive no compensation in addition to their regular salaries), to solicit proxies personally and by telephone. We intend to retain a solicitation firm, Broadridge Investor Communications Solutions, Inc., to assist in the solicitation of proxies for a fee estimated to be up to \$35,000, plus out-of-pocket expenses. We may request banks, brokers, and other custodians, nominees and fiduciaries to forward copies of the Proxy Statement to their principals and to request authority for the execution of proxies, and will reimburse such persons for their expenses in so doing.

Proposal One: Election of Directors

At the Annual Meeting, you and the other stockholders will elect five Directors, each to hold office until the next Annual Meeting of stockholders and until his or her successor is duly elected and qualifies, except in the event of death, resignation or removal. If a nominee is unavailable for election, the Board of Directors may reduce its size or designate a substitute.

If a substitute is designated, proxies voting on the original nominee will be cast for the substituted nominee. No circumstances are presently known that would render the nominees unavailable. Each of the nominees is currently a member of the Board of Directors.

The Board of Directors Recommends a Vote “**FOR**” Each of the Nominees for Election as Director.

Nominating Procedures

CPA®:17—Global’s Board of Directors has not designated a separate nominating committee. The Board of Directors does not believe that a separate nominating committee is necessary because the full Board of Directors develops and reviews background information for all candidates for the Board of Directors, including those recommended by stockholders. Pursuant to our Charter, the Independent Directors act together to evaluate and nominate other Independent Directors. If there are no Independent Directors at a particular time, then Independent Directors shall be nominated by the full Board of Directors.

Any stockholders entitled to vote at any regular or special meeting of stockholders may recommend Director candidates for inclusion by the Board of Directors in the slate of nominees that the Board of Directors recommends to stockholders for election. The qualifications of recommended candidates will be reviewed by the Board of Directors. If the Board of Directors determines to nominate a stockholder-recommended candidate and recommends his or her election as a Director by the stockholders, his or her name will be included in the Proxy Statement and proxy card for the stockholder meeting at which his or her election is recommended.

Assuming that appropriate biographical and background material is provided for Director candidates recommended by stockholders, the Board of Directors will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board of Directors or by other persons. The process followed by the Board of Directors to identify and evaluate candidates includes requests to Board of Directors members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates, and

interviews of selected candidates by members of the Board of Directors. The Board of Directors is authorized to retain advisors and consultants and to compensate them for their services. The Board of Directors did not retain any such advisor or consultant during 2016.

In considering whether to recommend any candidate for inclusion in the Board of Directors’ slate of recommended Director nominees, including candidates recommended by stockholders, the Board of Directors will apply the criteria set forth in our Charter and will also consider the candidate’s integrity, business acumen, age, experience, diligence, potential conflicts of interest and the ability to act in the interests of all stockholders. The Board of Directors does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. While we do not have a formal diversity policy, we believe that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

Stockholders may nominate individuals for election to the Board of Directors by complying with the notice procedures set forth in our Bylaws. Please see the section titled “Stockholder Communications” in this Proxy Statement for a description of the notice procedures and the address to which such notice should be sent.

The nominating stockholder’s notice must set forth, as to each individual whom the stockholder proposes to nominate for election or re-election as a Director:

- the name, age, business address and residence address of such individual;
- the class, series and number of any shares of CPA®:17—Global stock that are beneficially owned by such individual;

Proposal One: Election of Directors

- the date such shares were acquired and the investment intent of such acquisition; and
- all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Securities and Exchange Commission (“SEC”) Regulation 14A (or any successor provision) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules thereunder (including such individual’s written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

Also, the stockholder giving notice must provide:

- as to such stockholder and any Stockholder Associated Person*, the class, series and number of all shares of CPA®:17—Global stock that are owned by such stockholder and by such Stockholder Associated Person, if any, and the nominee holder for, and number of, shares owned beneficially but not of record by such stockholder and by any such Stockholder Associated Person;
- as to such stockholder and any Stockholder Associated Person, the name and address of such stockholder, as they appear on CPA®:17—Global’s stock ledger and current name and address, if different, of such Stockholder Associated Person; and
- to the extent known by such stockholder, the name and address of any other stockholder supporting the nominee for election or re-election as a Director.

The Board of Directors may require any proposed nominee to furnish such other information as may reasonably be required by CPA®:17—Global or the Board of Directors to determine the eligibility of such proposed nominee to serve as a Director. The Board of Directors will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis. The chairman of the meeting of stockholders held for purposes of voting on the proposed nominee’s election shall, if the facts warrant, determine and declare to the stockholders at such meeting that a nomination was not made in accordance with the foregoing procedures. If the chairman should so determine, he or she shall declare that the defective nomination shall be disregarded.

Nominees for the Board of Directors

Unless otherwise specified, proxies will be voted FOR the election of the named nominees.

Detailed biographical and other information on each nominee for election to the Board of Directors is provided below. Following each nominee’s biographical information, we have provided information concerning the particular attributes, experience and/or skills that have led the Board of Directors to determine that each nominee should serve as a Director.

* “Stockholder Associated Person” of any stockholder means: (i) any person controlling, directly or indirectly, or acting in concert with, such stockholder; (ii) any beneficial owner of shares of CPA®:17—Global stock owned of record or beneficially by such stockholder; and (iii) any person controlling, controlled by or under common control with such Stockholder Associated Person.

Pre-Approval By Audit Committee

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the Independent Registered Public Accounting Firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and is detailed as to the particular service or category of services. The Independent Registered Public Accounting Firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the Independent Registered Public Accounting Firm in

accordance with such pre-approval and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

If a non-audit service is required before the Audit Committee's next scheduled meeting, the Committee has delegated to its Chairman, Mr. Pinola, the authority to approve such services on its behalf, provided that such action is reported to the Committee at its next meeting.

Board's Role in Risk Oversight and its Leadership Structure

Our advisor is charged with assessing and managing risks associated with our business on a day-to-day basis. We rely on our advisor's internal processes to identify, manage and mitigate material risks and to communicate with our Board of Directors. The Board of Directors' role is to oversee the advisor's execution of these responsibilities and to assess the advisor's approach to risk management on our behalf. The Board of Directors exercises this role periodically as part of its regular meetings and through meetings of its Audit Committee. The Board of Directors and the Audit Committee receive reports at their regular meetings from representatives of our advisor on areas of material risk to CPA®:17—Global, including operational, financial, legal, regulatory, strategic and reputational risk, in order to review and understand risk identification, risk management and risk mitigation strategies.

We maintain separate roles for our Chairman of the Board of Directors and Chief Executive Officer in recognition of the differences between the two roles. Our Non-Executive Chairman of the Board, Mr. Price, one of our Independent Directors, presides over meetings of the full Board of Directors and, when necessary, acts as the primary liaison between our Independent Directors and our advisor. Our Independent Directors meet regularly in executive session and maintain an open line of communication with our Chief Executive Officer. Our Board appointed Mr. Price as Non-Executive Chairman of the Board of Directors in September 2012. Our Board believes that Mr. Price is well-suited for his role as Chairman based on his extensive board and executive level experience.

Our Chief Executive Officer, who is also the Chief Executive Officer of WPC, has the general responsibility for implementing our policies and for the management of our business and affairs. Trevor P. Bond served as our Chief Executive Officer and President, as well as a member of our Board of Directors, from September 2010 to February 10, 2016, when he resigned from his positions as our Chief Executive Officer and President, as well as a member of our Board of Directors, in connection with his resignation as Chief Executive Officer and as a member of the Board of Directors of WPC. On the same date, Mark J. DeCesaris succeeded Mr. Bond as our Chief Executive Officer and President. Mr. DeCesaris joined our Board of Directors on March 17, 2016.

Board Meetings and Directors' Attendance

There were five regular Board of Directors meetings, two additional Board of Directors meetings, and eight Audit Committee meetings held in 2016, and each Director attended at least seventy-five percent of the aggregate Audit Committee meetings and Board meetings held during the year while he or she was a Director. The Board of Directors of CPA®:17—Global does not have standing nominating or compensation committees. Although there is no specific policy regarding Director attendance at meetings of stockholders, Directors are invited and encouraged to attend. All Directors attended the 2016 annual meeting of stockholders held on June 15, 2016.

Compensation of Directors and Executive Officers—Fiscal 2016

We have no employees. Day-to-day management functions are performed by our advisor. During 2016, we did not pay any compensation to our Executive Officers. We have not paid, and do not intend to pay, any annual compensation to our Executive Officers for their service as officers. In addition, we do not reimburse our advisor for compensation or benefits paid to our Executive Officers, however, we reimburse our advisor for the services of personnel other than our Executive Officers. Please see the section titled "Certain Relationships and Related Transactions" for a description of the contractual arrangements between us and our advisor and its affiliates.

CPA®:17—Global pays to each of its Directors who are not officers an annual cash retainer of \$50,000 and an annual grant of \$25,000 of shares of common stock (valued based upon the most recently published estimated net asset value per share ("NAV")). In addition, the Chairman of our Audit Committee in 2016, Mr. Pinola, received an annual cash retainer of \$10,000 during the year. Mr. Bond was a member of CPA®:17—Global's Board of Directors until February 2016, but did not receive compensation for serving as a Director. Mr. DeCesaris joined our Board of Directors on March 17, 2016, but did not receive compensation for serving as a Director during 2016.

Board Report on Executive Compensation

SEC regulations require the disclosure of the compensation policies applicable to Executive Officers in the form of a report by the compensation committee of the Board of Directors (or a report of the full Board of Directors in the absence of a compensation committee). As noted above, CPA®:17—Global has no employees, paid no direct compensation and made no executive compensation decisions during 2016. As a result, CPA®:17—Global has no compensation committee, and the Board of Directors has not considered a compensation policy for employees and has not included a report with this Proxy Statement. Pursuant to the advisory agreement, CPA®:17—Global reimbursed our advisor for CPA®:17—Global’s proportional share of the cost incurred during 2016 by the advisor and other affiliates of WPC in paying for expenses related to personnel other than our Executive Officers. Please see the section titled “Certain Relationships and Related Transactions” for details regarding reimbursements to WPC and its affiliates of personnel expenses pursuant to the advisory agreement.

Compensation Committee Interlocks and Insider Participation

As noted above, CPA®:17—Global’s Board of Directors has not appointed a compensation committee. None of the members of CPA®:17—Global’s Board of Directors are involved in a relationship requiring disclosure as an interlocking Executive Officer/Director, under Item 404 of Regulation S-K, or as a former officer or employee of CPA® :17—Global.

Code of Ethics

CPA®:17—Global’s Board of Directors has adopted a Code of Ethics that sets forth the standards of business conduct and ethics applicable to all of our officers, including our Executive Officers and Directors. This code is available on the Company’s website (www.cpa17global.com) in the “Investor Relations—Corporate Governance” section. We also intend to post amendments to or waivers from the Code of Ethics at this location on the website.

Certain Relationships and Related Transactions

Until February 10, 2016, Mr. Bond served as a member of our Board of Directors and as our Chief Executive Officer and President; he also served as the Chief Executive Officer and a Director of WPC, the parent company of our advisor. On February 10, 2016, Mr. Bond resigned from his positions as a member of our Board of Directors and as our Chief Executive Officer and President in connection with his resignation as Chief Executive Officer and as a member of the Board of

Directors of WPC. On the same date, Mr. DeCesaris succeeded Mr. Bond as our Chief Executive Officer and President, and as Chief Executive Officer and a member of the Board of Directors of WPC. Mr. DeCesaris joined our Board of Directors on March 17, 2016. During 2016, we retained our advisor to provide advisory services in connection with identifying, evaluating, negotiating, financing, purchasing and disposing of investments, to perform day-to-day management services and certain administrative duties for us pursuant to the advisory agreement. The advisor earns asset management and other fees, and an affiliate of the advisor holds a membership interest in our operating partnership subsidiary entitling the affiliate to certain cash distributions. Asset management fees are payable in cash or shares of our common stock at our option, after consultation with the advisor. For 2016, we paid our advisor 50% of its asset management fees in cash and 50% in shares of our common stock.

During 2016, we paid the advisor approximately \$30.0 million in asset management fees. Our operating partnership paid approximately \$24.8 million in distributions of available cash to an affiliate of our advisor pursuant to the operating partnership agreement.

In addition, in return for performing services related to CPA®:17—Global’s investment acquisitions, the advisor is paid acquisition fees, a portion of which is payable upon acquisition

of investments for making of such investments or for the development or construction of properties with the remainder subordinated to a preferred return threshold. During 2016, in connection with the acquisition of investments, we capitalized current and deferred acquisition fees of approximately \$4.0 million and \$3.2 million, respectively, and expensed current and deferred acquisition fees of approximately \$1.7 million and \$1.2 million, respectively. During 2016, we made payments of deferred acquisition fees (including interest) to our advisor totaling approximately \$3.9 million. At December 31, 2016, unpaid installments of deferred acquisition fees (including interest) and unpaid current acquisition fees totaled approximately \$6.6 million and \$0.2 million, respectively.

The advisor may also receive subordinated disposition fees for services provided in connection with CPA[®]:17—Global's liquidation subject to certain conditions. Pursuant to the subordination provisions of the advisory agreement, the disposition fees may be paid only if the applicable preferred return criterion has been achieved through the end of the prior fiscal quarter. Payment of such amount, however, cannot be made until the subordination provisions are met. To the extent that subordinated disposition fees are not paid on a current basis due to the foregoing limitation, the unpaid fees will be due and paid at such time as the limitation has been satisfied, together with interest from the time of disposition of the investment to which they relate, at the rate of 5%. We did not incur any subordinated disposition fees during 2016.

We own interests in property-owning entities ranging from 7% to 97%, with the remaining interests held by WPC, CPA[®]:18—Global and third parties. At December 31, 2016, WPC owed \$0.9 million to us primarily related to one of these jointly-owned entities.

Because we do not have our own employees, the advisor employs, directly and through its affiliates, officers and other

personnel to provide services to us, including our Executive Officers. During 2016, we incurred approximately \$9.7 million payable to the advisor or its affiliates to cover (i) personnel expenses, which includes both cash compensation and employee benefits, but excludes amounts paid by the advisor to the Executive Officers (which are not reimbursable by us) and (ii) certain other overhead expenses, such as office rental expenses, which we pay a proportionate share of based on our gross revenues. In addition, during 2016, we capitalized personnel and overhead reimbursements of approximately \$0.6 million.

Policies and Procedures With Respect to Related Party Transactions

All of the transactions that we enter into with related persons, such as our Directors, Officers, and their immediate family members, must be, after disclosure of such affiliation, approved or ratified by a majority of our Directors (including a majority of Independent Directors) who are not otherwise interested in the transaction. In addition, such Directors and Independent Directors must determine that (i) the transaction is in all respects on such terms as, at the time of the transaction and under the circumstances then prevailing, fair and reasonable to our stockholders, and (ii) the terms of such transaction are at least as favorable as the terms then prevailing for comparable transactions made on an arm's-length basis. In addition, our Charter provides that we may purchase or lease assets from WPC, our advisor, our Directors or affiliates of any of the foregoing if a majority of our Directors (including a majority of Independent Directors) not otherwise interested in the transaction determines that: (a) such transaction is fair and reasonable to us and at a price equal to the cost of the asset to WPC, our advisor, our Directors or their affiliates, or (b) if the price to us is in excess of such cost, that there is a substantial justification for such excess and such excess is reasonable.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our Directors, Executive Officers and any persons who are the beneficial owners of more than 10% of our shares file reports of their ownership and changes in ownership of our shares with the SEC and to furnish us with copies of all such Section 16 reports that they file. Based upon a review of the copies of such reports furnished to us as filed with the SEC and other

written representations that no other reports were required to be filed during the year, we believe that our Directors and Executive Officers were in compliance with the reporting requirements of Section 16(a) during 2016 and know of no stockholder who beneficially owned more than 10% of our stock.

Proposal Two: Ratification of Appointment of Independent Registered Public Accounting Firm

From CPA®:17—Global's inception, we have engaged the firm of PricewaterhouseCoopers LLP as our Independent Registered Public Accounting Firm. The Audit Committee has approved the engagement of PricewaterhouseCoopers LLP as the Company's auditors for 2017. PricewaterhouseCoopers LLP also serves as auditor for each of WPC, CPA®:18—Global, CWI 1, CWI 2, CCIF, CCIF—I, CCIF 2016 T and Carey European Student Housing Fund I, L.P. A representative of PricewaterhouseCoopers LLP will be available at the Annual Meeting to make a statement, if he or she desires to do so, and to respond to appropriate questions from stockholders.

Although stockholder ratification of PricewaterhouseCoopers LLP's appointment is not required by

our Charter, our Bylaws or otherwise, the Board of Directors is submitting the ratification of PricewaterhouseCoopers LLP's appointment for the year 2017 to the Company's stockholders. If the stockholders do not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider whether or not to retain PricewaterhouseCoopers LLP as the Company's Independent Registered Public Accounting Firm for the year 2017, but will not be obligated to terminate the appointment. Even if the stockholders ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee in its discretion may direct the appointment of a different Independent Registered Public Accounting Firm at any time during the year if the committee determines that such a change would be in the Company's interests.

The Board of Directors Recommends a Vote **"FOR"** the Approval of Proposal Two.

Stockholder Communications

The Board of Directors will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters and subject to any required assistance or advice from legal counsel, Ms. Susan C. Hyde, Secretary, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the Directors as she considers appropriate. This monitoring process has been approved by our Independent Directors.

We must receive at our principal executive offices any proposal that a stockholder intends to present at CPA®:17—Global's 2018 Annual Meeting no later than December 27, 2017 in order to be included in CPA®:17—Global's Proxy Statement and form of proxy relating to the 2018 Annual Meeting pursuant to SEC Rule 14a-8 under the Exchange Act.

In addition, nominations by stockholders of candidates for Director or proposals of other business by stockholders, whether or not intended to be included in our proxy materials, must be submitted in accordance with our Bylaws in order to be considered at our 2018 Annual Meeting. Our Bylaws currently provide that, in order to bring any business or nominations before an annual meeting of stockholders, the

stockholder must give timely notice of such nomination or proposal in writing to the Secretary of CPA®:17—Global. To be timely, a stockholder's notice must contain all the information set forth in Section 11 of Article II of our Bylaws and be delivered to the Secretary of CPA®:17—Global at the principal executive offices of CPA®:17—Global not earlier than 150 days nor later than 5:00 p.m., New York City Time, on the 120th day prior to the first anniversary of the mailing of the notice for the preceding year's annual meeting (unless the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the preceding year's annual meeting, in which case the notice must be delivered to our Secretary not earlier than 150 days prior to the date of the annual meeting and not later than 5:00 p.m., New York City Time, on the later of the 120th day prior to the date of the annual meeting or the tenth day following the day on which public announcement of the date of the meeting is first made). Accordingly, under our current Bylaws, a stockholder nomination or proposal intended to be considered at the 2018 Annual Meeting must be received by us no earlier than November 27, 2017 and not later than December 27, 2017. Our Secretary will provide a copy of our Bylaws upon written request and without charge.

Stockholders and other interested persons who wish to send communications on any topic to the Board of Directors should address such communications in care of Ms. Susan C. Hyde, Secretary, Corporate Property Associates 17—Global Incorporated, 50 Rockefeller Plaza, New York, NY 10020.
