Second quarter 2014 distributions will be payable to stockholders of record as of the close of business on each calendar day during the quarter and will be paid in aggregate on or about July 15, 2014.

W. P. Carey Inc.

W. P. Carey Inc. is a leading global net-lease REIT that provides long-term sale-leaseback and build-to-suit financing solutions for companies worldwide. It also acts as the manager to a series of non-traded REITs. The Company's owned and managed diversified global investment portfolio had a combined enterprise value of approximately \$15 billion at December 31, 2013. Its corporate finance-focused credit and real estate underwriting process is a constant that has been successfully leveraged across a wide variety of industries and property types. Furthermore, its portfolio of long-term leases with creditworthy tenants has an established history of generating stable cash flows, enabling it to deliver consistent and rising dividend income to investors for over four decades. www.wpcarey.com

This press release contains forward-looking statements within the meaning of the Federal securities laws. A number of factors could cause each company's actual results, performance or achievement to differ materially from those anticipated. Among those risks, trends and uncertainties are the general economic climate; the supply of and demand for office and industrial properties; interest rate levels; the availability of financing; and other risks associated with the acquisition and ownership of properties, including risks that the tenants will not pay rent, or that costs may be greater than anticipated. For further information on factors that could impact each company, reference is made to each company's filings with the Securities and Exchange Commission.
