This press release contains forward-looking statements within the meaning of the Federal securities laws. A number of factors could cause each company's actual results, performance or achievement to differ materially from those anticipated. Among those risks, trends and uncertainties are the general economic climate; the supply of and demand for office, industrial and hotel properties; interest rate levels; the availability of financing; other risks associated with the acquisition and ownership of properties, including risks that the tenants will not pay rent, or that costs may be greater than anticipated; and risks related to CWI 2's offering of shares. For further information on factors that could impact each company, reference is made to that company's filings with the Securities and Exchange Commission.
