- On February 28, 2022, CPA:18 – Global announced that it has entered into a definitive merger agreement pursuant to which CPA:18 – Global will merge with W. P. Carey Inc. (NYSE: WPC), its advisor, in a transaction valued at approximately \$2.7 billion. The merger is expected to close in the third quarter of 2022, subject to the approval of CPA:18 – Global stockholders and other closing conditions. For additional information, please see the Form 8-K, filed with the Securities and Exchange Commission (SEC) on February 28, 2022.
- As of December 31, 2021, our operating portfolio consisted of 65 self-storage properties and one student housing operating property.
- Annualized Base Rent (ABR) represents contractual minimum annualized base rent for our net-leased properties and reflects exchange rates as of December 31, 2021. ABR is not applicable to operating properties.
- Diversification does not ensure market gain or protect against loss in a declining market. Percentages are based on pro rata Stabilized Net Operating Income (Stabilized NOI) figures and may not add up to 100% due to rounding. We use Stabilized NOI, a non-GAAP measure, as a metric to evaluate the performance of our entire portfolio of properties. While we believe that Stabilized NOI is a useful supplemental measure, it should not be considered as an alternative to Net Income (loss) as an indication of our operating performance. For more information about Stabilized NOI, please see the Form 10-K, filed with the SEC on February 25, 2022, available on CPA:18 – Global's website, www.cpa18global.com.
- Includes ABR from tenants in the following industries: durable consumer goods, non-durable consumer goods and consumer services.
